RAIN GUTTER WARRANTY

Disclaimer: Industry standard rain gutters are not watertight. The function of rain gutters is to catch a significant amount of water shed from the roof in a controlled manner. There could be some minor leaking of rain gutters between the gutter and attachment point due to roofing and/or fascia configurations. Some rainwater may escape over the front edge of the gutter depending on the volume of rain. Minor leaking of rain gutters is not covered by this warranty.

WHO THIS WARRANTY PROTECTS	This warranty protects the original purchaser only.
WHAT THIS WARRANTY PROTECTS AGAINST	Arizona Rain Gutters & Shade Experts fully guarantees our products against any defects in workmanship or failures in operation while in normal, recommended uses and installation situations during the warranty period.
WHAT THIS WARRANTY COVERS	This warranty covers our assembled products, as well as individual components of the gutter system product, including gutter(s), downspout(s) and gutter accessories and any defects originating from the production process. The terms of this warranty apply to the original purchaser of Arizona Rain Gutters & Shade Experts' products and is non-transferable.
WHAT THIS WARRANTY DOES NOT COVER	This warranty does not cover damage caused by weather, such as wind or environmental conditions beyond what Arizona Rain Gutters & Shade Experts' gutter products are designed to withstand in normal use. This warranty does not cover damage or failure due to improper or unusual installations, including changes to the installation made by the customer/homeowner. This warranty does not cover damage or failure due to improper use and/or failure to maintain the gutter system including a failure to clean gutters and downspouts of debris.
